

## PRESS RELEASE

### **Integral's March 2019 Volume Grows 17% Compared to February**

Average daily volumes (ADV) totaled \$39.0 billion

**PALO ALTO, California (April 1, 2019)** – Integral ([www.integral.com](http://www.integral.com)), the technology partner trusted by leading banks, brokers, and asset managers to help them outperform their competition in the foreign exchange market, reported today average daily volumes (ADV) across Integral platforms totaled \$39.0 billion in March 2019. This represents an increase of 17% compared to the previous month and 8.8% more than March 2018.

“Our growth in March was driven by a combination of new customers beginning to trade on the Integral platform and existing customers expanding their business,” said Harpal Sandhu, CEO of Integral. “Our clients are deriving greater value from Integral as they trade more, and other market participants understand the benefits of accessing the richest pool of liquidity, so they continue to join the Integral ecosystem.”

No other platform reaches as many, as varied, and as comprehensive a set of FX products and participants as Integral OCX™. Banks, brokers, and asset managers now share direct access to OCX and use this unique liquidity to win market share from their competitors.

OCX is directly cross connected with more than 250 liquidity sources supplying more than 3,000 market making streams in NY4, LD4, and TY3. OCX's award-winning advanced market design delivers the ultimate in execution performance by combining resting limit orders, market-making streams, and midpoint interest in a single integrated high-performance venue.

#### **About Integral**

Integral is a financial technology company that helps its customers—banks, brokers, and asset managers—outperform their competition in the foreign exchange market through innovative solutions for workflow management and advanced execution. This powerful cloud-based platform is the industry's only answer for FX institutions that want to design and deliver complete solutions tailored to their businesses. Integral's modern approach of addressing the entire FX lifecycle with an intelligent platform allows its customers to achieve the lowest transaction costs, greatest operational efficiency, and highest yield. Founded in 1993, Integral maintains development, support, and sales offices in Palo Alto, New York, London, Tokyo, Singapore and Bangalore.
