

PRESS RELEASE

Industry Veteran Sanjay Madgavkar Joins Integral as Chief Strategy Officer and Head of Business Development

Strategic hire Sanjay Madgavkar brings 20+ years of FX experience from Citi

PALO ALTO (May 29, 2019) – Integral (www.integral.com), the technology partner trusted by leading banks, brokers and asset managers to help them outperform their competition in the foreign exchange market, announced today that Mr. Sanjay Madgavkar has joined the firm’s executive team as Chief Strategy Officer and Head of Business Development. Madgavkar has spent much of his career at Citi and brings more than 20 years of experience in every aspect of foreign exchange to Integral. He will be responsible for setting business strategy, identifying new markets and opportunities, as well as managing senior relationships with clients and strategic partners.

Madgavkar began his career in FX sales and has since held positions running Citi’s FX and FI eCommerce group and Margin FX trading. Most recently Madgavkar was the Managing Director and Global Head of Citi’s FX Prime Brokerage, a position he held since 2012.

“Sanjay is one of the most highly respected and knowledgeable people in our industry,” said Harpal Sandhu, Integral CEO. “He joins us at an exciting time because advancements we’ve made to our platform enable Integral to impact the entire FX market. Sanjay’s experience will be critical in guiding the company as we continue to grow, and I look forward to working with him.”

Madgavkar commented, “I have known and partnered with Integral throughout my career. They have always been the technology leader in the FX industry. Joining this outstanding executive team is an honor. Together I believe we will take Integral to the next level where all market participants will have access to the most sophisticated FX technology available.”

About Integral

Integral is a financial technology company that helps its customers - banks, brokers, and asset managers - outperform their competition in the foreign exchange market through innovative solutions for workflow management and advanced execution. This powerful cloud-based platform is the industry’s only answer for FX institutions that want to design and deliver complete solutions tailored to their businesses. Integral’s modern approach of addressing the entire FX lifecycle with an intelligent platform allows its customers to achieve the lowest transaction costs, greatest operational efficiency, and highest yield. Founded in 1993, Integral maintains development, support, and sales offices in Palo Alto, New York, London, Tokyo, Singapore and Bangalore.
