About Integral

Integral is a financial technology company that helps its customers—banks, brokers, and asset managers—outperform their competition in the foreign exchange market through innovative solutions for workflow management and advanced execution. This powerful cloud-based platform is the industry's only answer for FX institutions that want to design and deliver complete solutions tailored to their businesses. Integral's modern approach of addressing the entire FX lifecycle with an intelligent platform allows its customers to achieve the lowest transaction costs, greatest operational efficiency, and highest yield. Founded in 1993, Integral maintains development, support, and sales offices in Palo Alto, New York, London, Tokyo, Singapore and Bangalore.
